— DESCRIPTION

The main house consists of a main room with a fireplace of 40 m², a kitchen of 15 m², a bedroom of 10 m², a laundry room of 8 m² and a shower room of 5 m².

The attic of 70 m² is accessible by a new wooden staircase.

The electrical installation has been redone.

The stone structure of all the buildings is in very good condition, and the two barns offer considerable potential for conversion.

The wooded and fenced grounds of 5,000 m² (1.24 acres) dominate the rolling countryside composed of woods and meadows.

A well is present on this property.

The privileged location without any neighbors is only ten minutes away from a town centre with school and shops.
